

TRADITIONAL™ EYEWASH

TRADITIONAL EYEWASH

Our Traditional Eyewashes have been engineered to deliver trusted, effective relief when users need it most. Featuring dual aerated spray heads, a wall-mounted design and an intuitive push activator, our Traditional Eyewashes are perfect for nearly any application.

FEATURES

- Aerated sprays deliver soothing relief.
- Push-handle activation allows for easy operation.
- Stay open ball valve provides hands free operation once activated.
- Flip-top dust caps protect spray heads from dirt and debris.
- Corrosion resistant, durable construction.
- 3.18 GPM at 30 PSI.
- Emergency sign included.

CERTIFICATIONS

- ANSI/ISEA Z358.1 Certified.
